

Year 5- Performing Arts- Week 2 Online Learning:

'Uncovering My Singing Voice'

This week we are looking at warming up and utilising our singing voices. Just like before participating in physical activity or exercise, it is important to warm up your mouth and the muscles you use to sing. In learning some key warm up techniques we will look at these factors to achieve the perfect note:

- **Pitch** (high or low)
- **Tone** (loud or soft)
- **And Tempo** (keeping in time with a vocal so it matches the pace of backing music)

Task: Warm Up: (5 minutes)

Singing Warm Up: Choonbaboon

<https://www.youtube.com/watch?v=K5ibRYDBFTw>

Class Song to Learn: (30 minutes)

**Listen first and then make regular time this week to practise and learn this great sing along*

Year 5 (on-line learning) Song to Learn: 'Mommy I'm a Zombie'

This Week's Performing Arts Task: 'Music Listening Diary' (See attachment)

Provided is a template to help you keep track of the music you listen to. I'd advise you try to listen to two songs mindfully a day. Record the date, Song title, Artist, Style and a brief description of what you enjoyed. Try and experience a variety of different musical genres and artists to assess the differences in their sound and way they sing. We will delve deeper into this next week.

E.g. **Music Listening Diary** (see attached diary)

Date	Song Title	Artist	Style e.g. Rock	What did you enjoy?

I encourage you to use music during this online learning period as an escape and also to explore new and different artists and genres. A starting point may be to reflect on some of the music your parents introduced you to in last weeks 'Musical Interview' task.
