

## Remote Learning - Year 1 - Week 4

### Diving ducks!

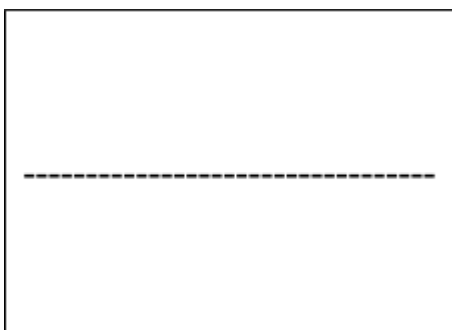

You will need:

- Two pieces of blank piece of paper (one for practicing and one for good copy)
- A greylead pencil
- Coloured textas or pencils

Using the step-by-step drawing sheet below practise drawing a duck.

When you've had a practice drawing your duck, draw a line across the middle of your page like the picture below.

Now you can try drawing your duck floating on top of the water and maybe even another duck diving under the water.

You may add other things to your picture for example - reeds, rocks or fish under the water and clouds or birds above the water - see my finished example below.
