The form must be completed and returned along with the payment of a refundable deposit and once off enrolment fee by the required date to be considered for first round offers for the following year.

Evidence of a child's identity and date of birth must be provided e.g. birth certificate, extract of birth certificate, passport or legal papers must be included.

The Clifton Springs Preschool Enrolment System allocates positions according to the Clifton Springs Priority of access criteria in the Enrolment Manual.

First round session offers will be mailed to successful families' end of Term 2. You must respond to a first round offer within 10 business working days to accept, decline or defer the position.
