'Girl with the pearl earring'

We are going to compose a famous painting by using clothes – old t-shirts, sweatshirts, pants. Choose a famous person to recreate your design. The first step is for you to do a bit of research on famous, recognisable paintings. Pick one with bold shapes and basic colours to make it easier to find similar colours in your clothes. Think about your background you will be constructing your painting on.

Have fun with this. If you are able to take a photo of your design then great! But please don't worry if you can't.

Challenge: Have a go at sketching your clothes design and add colour using pencils.
