

I will not eat them in a
plane

I will not eat them when I am
in pain

5

I could not, would not on some
rocks

I will not, will not with
some soup

6

I will not eat them on
a chair

I will not eat them with
a pear

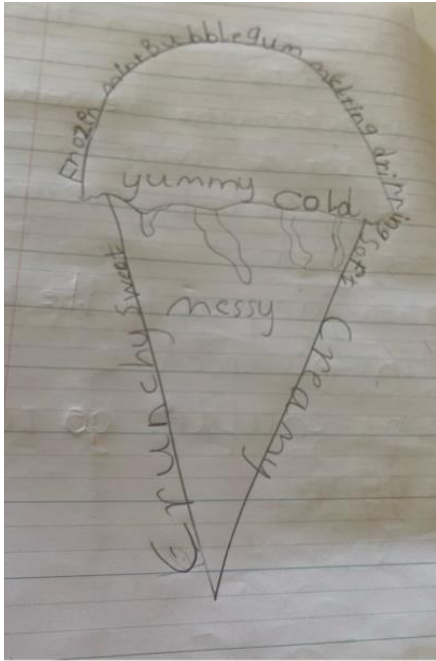

3

I will not, will not in the
air

I could not, would not with
a bear

Ice-cream is
delicious because
it's good for
summer my
favourite
flavour
is
rain
