

# BATFORCE & SFYS PRESENT

## "SCHOOL FAMILY PARTNERSHIPS 22"

### Parent / Carer Presentation Session

Wednesday 9 November 2022, 6.00pm-7.30pm

Young people will go through many transitions between 0-25 years, a number of them occurring at school.

In the last few years as a community we have faced a number of big challenges which has reminded us how important it is to have Families & Schools on the same page when it comes to supporting their Young Person.

This presentation is interactive, focuses on strengths, looks at strategies & practices language that may be helpful as students move between Primary & Secondary school.

### PRESENTATION TOPICS

- Looking out for you mates
- Emotions & regulation
- Healthy & respectful relationships
- Choices
- Where to go when worry happens
- Consent & ethics
- Respecting differences
- Having a plan
- Most importantly having great expectations of ourselves & each other

'We cannot be expected as Families to be able to answer every question, however, we can agree to go on the journey with them & support them while they find their feet & solutions.'
