"DIGITAL TATTOO"

Wednesday 1st November 2023

Parent Carer Presentation: 6.30-8.00pm

Young People live in an amazing world, they seamlessly move between their 'online world' & 'living directly world'. As a community this can create questions as they baffle us with their speed & connectivity, take risks & sometimes make mistakes.

BATForce acknowledges the pandemic has changed how we use technology, this is a great opportunity to explore how we reset & move forward in our online worlds.

TOPICS INCLUDE:

- healthy online relationships -gaming
- consent -social media -gambling
- importance of role modelling -screens & your body -staying safe -looking out for your mates -what to do when things go wrong

Parent Carer sessions are interactive & focus on how Families can best support their Young Person when they are online.
