## Fun times at Drysdale Primary School OSHC

It has been a busy few weeks at OSHC, with high numbers of children attending most sessions. Popular activities have included cricket, downball, outdoor play, creating entries for our Colouring/Drawing Competition, Lego, Magnetic Construction and building fantastic things with the marble run.

On this Thursday we are celebrating Earth Day by making lanterns. This is a special activity that all TheirCare Services are doing to celebrate Earth Day, and we are actually getting to do it early because of the Potato Fair on Friday.

Speaking of the Potato Fair, it would be greatly appreciated if parents whose children are not attending OSHC on the afternoon of Potato Fair make sure any bookings are cancelled in advance. We will be operating our program out of our small room with no Hall or Outdoor access on that night.

## The Great OSHC Colouring Competition

Most of the students at OSHC have been really enjoying making entries for our OSHC Colouring and drawing competition. With just over a week to go, there is still plenty of time for more entries. It is looking like it's going to be a very close contest, and judging will be very difficult. Entries close at the end of Before School Care on Wednesday the 27th of March, and Prizes will be awarded that afternoon at After School care. Prizes for children not attending OSHC that afternoon will be presented in front of their class the following morning.
